Positive Emotional ReAssurance

We all need someone to turn to when things look down. Someone who knows just what to say to get us through these trying times. A person who not only gives us the emotional fortitude to keep pushing forward, but whose endless wisdom gives us the tools we need to tackle the situation at hand. Of course, for all of us, that person is Elon Musk.

Effect Of Elon Musk's Tweets on Global Prosperity

Thus Sayeth Elon:

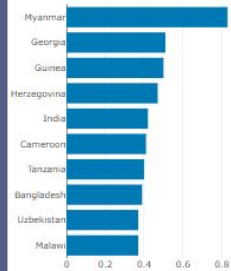

"I think 6 where we lit main chamber & several with only preburners"

Happiness

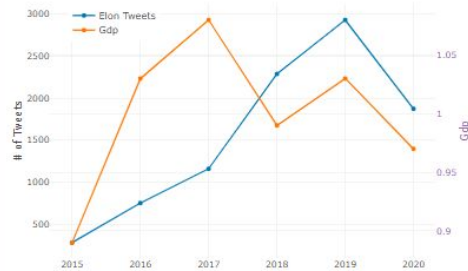

Freedom

GDP

Top Ten Correlations

Elon's Tweets vs Gdp in China

Tweet Length Correlations

This information aims to provide the overall gratification that is enjoyed with Tweets

1. Correlation of how many times someone is Tweeting
2. The measures calculating scopes of references
3. Happiness and Freedom

Tweeting All Around The World

Elon's influence is not homogenous across the world. We want to know which countries have benefited most from this gentle industrial giant.

1. Whose emotional fortitude has been most nourished by this endless fount of benevolence?
2. Who has been inspired by his wisdom and translated that into the most economic gain?
3. Which world leaders' icy hearts have been melted by Elons hot Tweets to extend more freedom to their people?

World Happiness Tweets

1. "When something is important enough, you do it even if the odds are not in your favor."
2. "If you get up in the morning and think the future is going to be better, it is a bright day."
3. "Persistence is very important. You should not give up unless you are forced to give up."
4. "It's OK to have your eggs in one basket as long as you control what happens to that basket."
5. "We're going to make it happen. As God is my bloody witness, I'm hell-bent on making it work."
6. "The first step is to establish that something is possible; then probability will occur."
7. "I think it is possible for ordinary people to choose to be extraordinary."
8. "I could either watch it happen or be a part of it."

Number of Tweets from 2015 to 2020

Kaggle Information

To find out, we propose a project which will correlate the number and length of Elons tweets from 2015-2020, found here(<https://www.kaggle.com/vidyapb/elon-musk-tweets-2015-to-2020>) with happiness metrics for each country regarding their perception of a dystopia, their perceptions of freedom, and a general happiness score, found here(<https://www.kaggle.com/mathurinache/world-happiness-report>).

Tweet Analysis Effect

This crucial analysis needs to be seen by the world, so each world leader can know whether or not their country has been paying attention and benefitting from Elons benevolent declarations. More importantly, those harmed by Elons Tweets need to see just what can be gained if they but un-harden their hearts to his angelic words.
